

CCS Media Logitech Scribe for Business

Whiteboard Camera For Video Conferencing Rooms

Effortlessly share whiteboards into video meetings with Logitech Scribe, an AI-powered whiteboard camera for Microsoft Team[®], Zoom[™], and other leading video conferencing services.

Designed for whiteboard sharing in the modern workplace, Logitech Scribe broadcasts content on dry erase boards into video meetings with outstanding clarity. Now, even remote participants can have the best seat at the table.

With a clean wall-mounted design and thoughtful cable management, Scribe installs elegantly and out of the way

of meeting collaboration. Together with the whiteboard content camera, Scribe includes a wireless share button, mounting components, power supply, and category cables for deployment at scale.

Purpose-Built For Room Solutions

Scribe integrates with leading video conferencing room solutions, including Microsoft Teams Rooms and Zoom Rooms. Simply join the meeting and start sharing.

Simple to Use

Works with Any Whiteboard

Works with all whiteboard surfaces, capturing up to 6' W by 4' H, and any set of dry erase markers.

One-Touch to Share

Scribe's wireless share button makes sharing whiteboards into video meetings quick and easy.* You can also initiate sharing with your meeting room touch controller, like Logitech Tap.

Perfect Views, Remote Or In The Room

AI-Powered Performance

Presenter Removal

Scribe's built-in AI delivers a transparency effect, allowing students to see "through" the instructor for an unobstructed view of the whiteboard.

Content Enhancement

Scribe automatically enhances the colour and contrast of dry erase markers, making text and sketches easier to read.

Sticky Note Detection

Scribe uses image segmentation to recognise and show other forms of content like sticky notes.

Clean, Flexible Installation

Wall Mounting

Securely mount Scribe to a variety of wall surfaces with the included installation kit.

Cable Management

Ensure clean, confident installs with cable retention and options to route cabling up, down, or through the wall.

Flexible Cabling

Use the included 10 meters of category cable or supply your own to fit the size and layout of your classrooms.
